Sorry Regina. I meant to get back to you sooner but it's been a hectic day. I will provide my general comments in this email and barring any other pressing issues, I will forward you my specific comments on the proposal tomorrow.

Rick and Roger,

Attached is the first draft of the RARE proposal we discussed with Andy Lindstrom. I have put Roger as the R3 contact. If you could review the proposal and determine if this is what you expected. If you want to move forward please add or delete as needed. Also, consider what you think needs to be solid deliverables so that R3 is getting something usable. Due to me as soon as possible but March 6 at the latest. BTW 200K is too much to ask but I will talk to Andy about that.
